

SALUTE TO DALLAS STARS, STANLEY CUP CHAMPIONS

(Mr. FROST asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. FROST. Mr. Speaker, I rise today to congratulate the Dallas Stars, the 1999 NHL champions.

The Stars electrified all of North Texas en route to winning the oldest trophy in sports, the Stanley Cup.

Along the way, the champs gave us some unforgettable performances. Whether it was the clutch play of Center Mike Modano, the sparkling saves of veteran goalie Eddie "the Eagle" Belfour, the crushing defense of Captain Derian Hatcher, or the bravery of Brett Hull, who scored the Cup-winning goal, it seemed like every game a different Star player stepped up and inspired the team to victory.

To all of the Dallas Stars, I say thank you on behalf of all Texans. You have shown the whole country that Big-D is more than just America's greatest football town.

Mr. Speaker, the Stanley Cup was the first leg of what will be the 1999 Texas hat trick. I am putting my colleagues on notice. Texas teams will end the century by winning, not only the Stanley Cup, but the NBA championship and the World Series as well.

Congratulations again to the mighty Dallas Stars, 1999 Stanley Cup champions.

PRESERVATION: PROTECTING AMERICA'S TREASURED LAND

(Mr. PITTS asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. PITTS. Mr. Speaker, as I heard from my youth advisory committee visiting the Capitol today, urban sprawl has become a serious concern to Americans in many parts of the country, from the rural farm country in Lancaster and Chester County, Pennsylvania, to suburbs in the south and west.

There are several ways that Congress can help to prevent further unbridled development, yet still keep individual freedoms intact.

Today we will take one small step, through the Patriot Bill, to preserve land in Pennsylvania that is central to our American heritage. It is vital that we preserve two of our Revolutionary War treasures, the historic battlefields of Brandywine and Paoli. It will be a tragedy to lose this history to a housing development that now threatens the region.

By the same token, we must also take a larger step to give individuals in this country incentives to preserve their farmland and open space. By eliminating such burdensome taxes as the estate tax, capital gains tax which

threatens so many family farmers, we allow farms in coveted open space to remain intact.

Mr. Speaker, I urge my colleagues to vote for farms and for open space. First support the Patriot Bill. Secondly, let us get rid of the death tax once and for all.

CONDEMN THE SYNAGOGUE BURNINGS IN SACRAMENTO, CALIFORNIA

(Mr. LANTOS asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. LANTOS. Mr. Speaker, the logical final outcome of hate crimes is the nightmare we see on our television sets every night in Kosovo. This past weekend, in the State of California, three synagogues were set on fire.

This past year in this free society, which is based on respect for all religions, Mr. Speaker, there were over 8,000 hate crimes in the United States. Some of these were directed on the basis of race, religion, disability, sexual orientation, or gender.

Today, I am introducing a resolution condemning this outrageous act, which resulted in the destruction of three Jewish places of worship in the Sacramento area of California.

Scores of my colleagues from across the political spectrum are joining me in this resolution. I ask all of my colleagues to join and express unanimously our condemnation of these outrageous acts and provide assistance to all relevant agencies to bring the perpetrators to justice.

SMITHSONIAN FOLKLIFE FESTIVAL

(Mr. BASS asked and was given permission to address the House for 1 minute.)

Mr. BASS. Mr. Speaker, I rise today to celebrate New Hampshire's participation in the 33rd Annual Smithsonian Folklife Festival beginning tomorrow on the National Mall.

This festival is a celebration of the history, heritage, and culture that makes the Granite State one of a kind. More than 140 participants will be in the national spotlight exemplifying what has made New Hampshire such a beautiful, important, and unique State for the past 23 years.

The spectacular event will also include a celebration of New Hampshire's political history, as well as its essential role as the traditional host of the first-in-the-Nation Presidential primary.

Over the next 2 weeks, more than 1 million people will join representatives from New Hampshire, South Africa, and Romania in showcasing their traditions and customs through expeditions of music, dance, food, crafts, storytelling, and art.

I am extremely proud to have my home State represented here in the Nation's Capital, and I encourage everyone to find their way down to the National Mall to help New Hampshire celebrate its proud history and culture.

COMPANIES MOVING OVERSEAS AND AMERICA IS LOSING JOBS

(Mr. TRAFICANT asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. TRAFICANT. Mr. Speaker, the Hanover Shoe Company of Franklin, West Virginia is moving overseas. Another 350 jobs going overseas. But the workers have been told, and I quote, "Do not worry. You will find a job."

Beam me up, Mr. Speaker. Every day, good paying manufacturing jobs going overseas, being replaced by minimum wage service-sector jobs. Enough is enough. A superpower does not act like a colony.

The sad truth is "made in America" is now street talk for teen pregnancy.

I yield back all the minimum wage part-time jobs without benefits in these United States of America.

STAND UP TO THE GREEDY HAND OF GOVERNMENT

(Mr. BALLENGER asked and was given permission to address the House for 1 minute.)

Mr. BALLENGER. Mr. Speaker, Thomas Paine, a true patriot and American hero who, of course, is no longer taught in many public schools today, once wrote: "We still find the greedy hand of government thrusting itself into every corner and crevice of industry and grasping the spoil of the multitude."

Although students today no longer find The Rights of Man on their reading lists, they would do well to take heed of Thomas Paine's observation that the government has an inevitable tendency to seek to expand its power and to confiscate the fruits of our labor. It is like a law of nature. Anyone who disputes this fact is invited to step forward and call his first witness.

Government grows and grows, and it commands more and more of what we earn. Taxes go up and our freedom necessarily is reduced. Republicans believe that the greedy hand of government has reached too far, and that Americans have seen too many of their freedoms reduced. It is time to stand up to the greedy hand of government.

PRESCRIPTION DRUG FAIRNESS ACT

(Mr. BROWN of Ohio asked and was given permission to address the House for 1 minute.)

Mr. BROWN of Ohio. Mr. Speaker, many Democrats in the House of Representatives are working together to
